

Documentation – Login Area

General information and documentation regarding Ski resort Service International's login area.

www.ski-resort-service.com/en/snowdata

General information

- The login area is optimised for both **mobile (smartphone/tablet)** and **desktop (PC/notebook)** devices.
- The data will be used on Skiresort.de/.at/.ch/.info/.nl/.be/it/.fr and Skiresort Service International, as the world's leading snow report supplier, will also distribute the data to over 100 international [partners](#). The login area is available to you for maintaining your data and keeping it up to date. All of the main functions are presented and explained in the following sections.

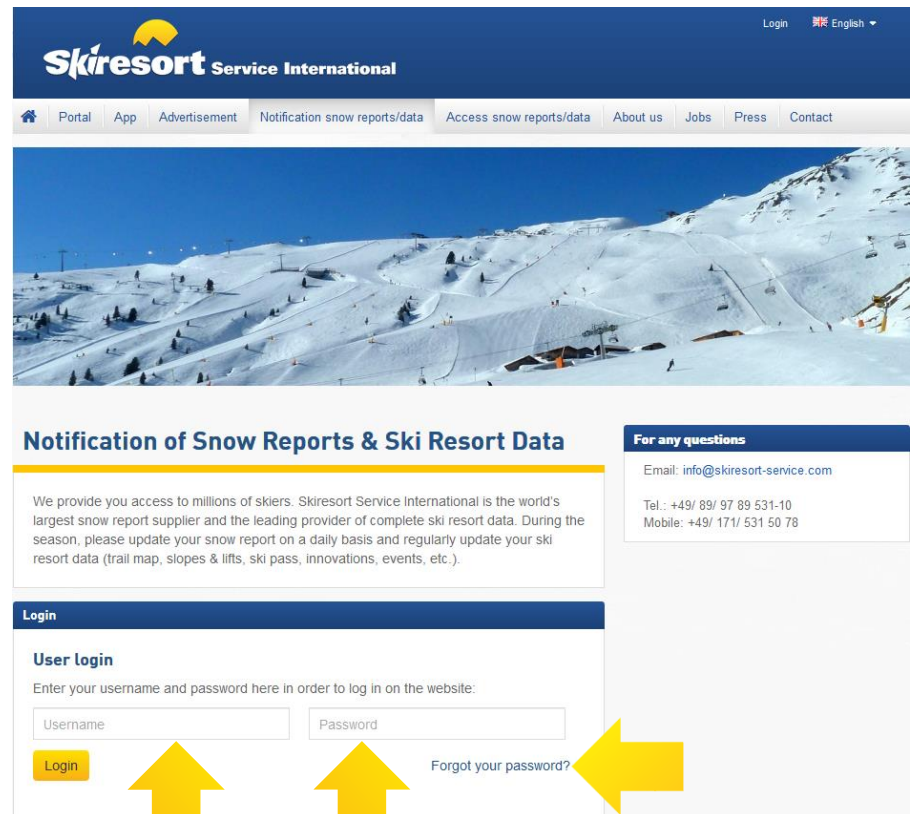

1. Login screen

www.skiresort-service.com/en/snowdata

Please enter your user name and password and then click on “Login”.

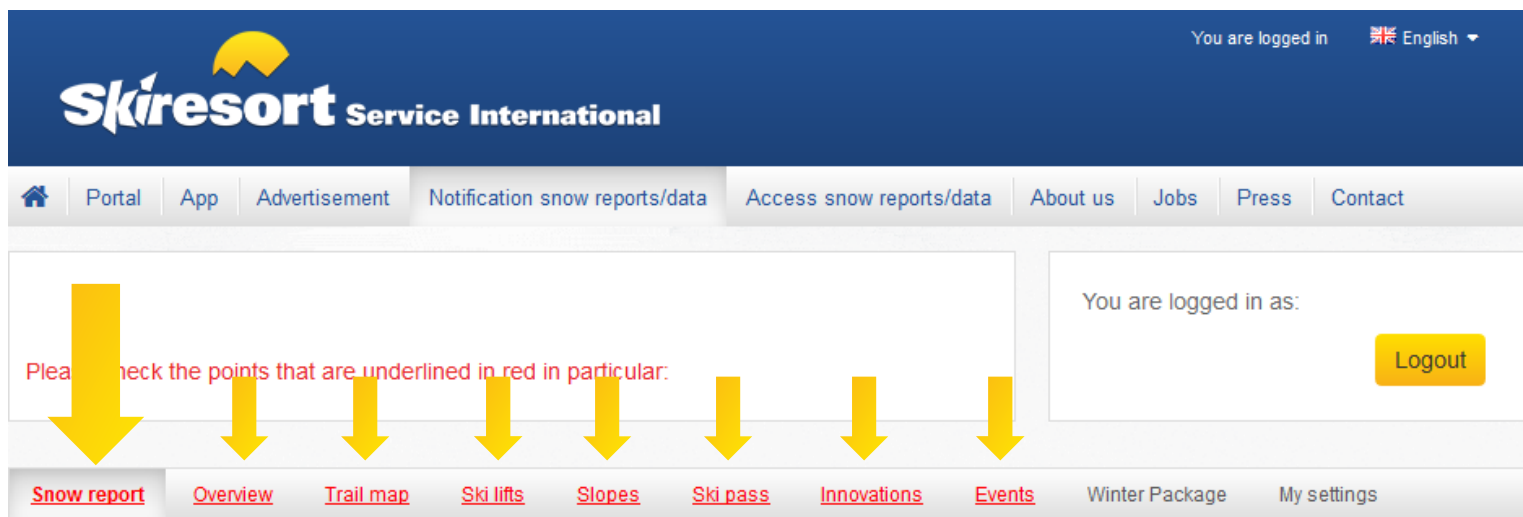

Have you forgotten your password?

Simply request it per email!

2. Home page in the login area

The first open tab is the “Snow report” tab. The items highlighted in red have not been updated by you in the past 180 days.

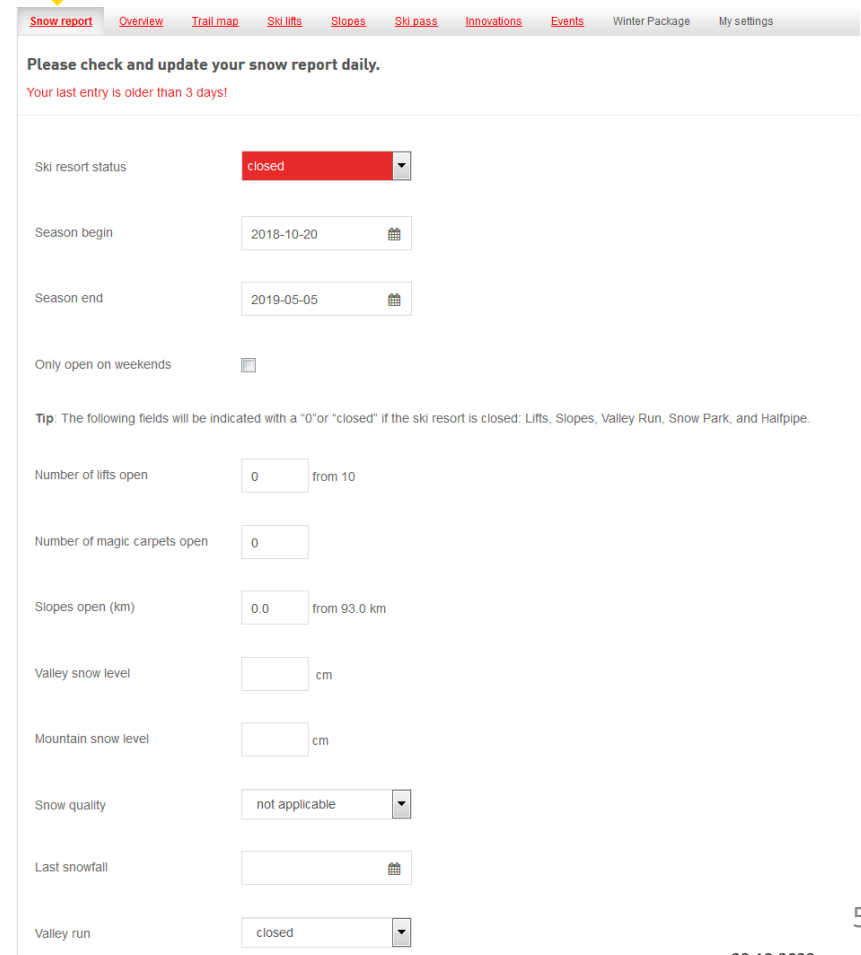

IMPORTANT: Always remember to save any changes you have made.

2.1. Snow report

Please check and update the information under the “Snow report” tab **daily** during your open season. Important: Don’t forget to save your changes!

Please note: The data will be transmitted in real time along with the date of update to over [100 international partners](#).

A screenshot of the Skiresort web application's "Snow report" interface. The interface has a dark blue header with navigation tabs: "Snow report" (highlighted), "Overview", "Trail map", "Ski lifts", "Slopes", "Ski pass", "Innovations", "Events", "Winter Package", and "My settings". Below the header, a message reads: "Please check and update your snow report daily. Your last entry is older than 3 days!". The main form contains several input fields: "Ski resort status" (dropdown menu set to "closed"), "Season begin" (calendar icon, date 2018-10-20), "Season end" (calendar icon, date 2019-05-05), "Only open on weekends" (checkbox), "Number of lifts open" (input field 0, range from 10), "Number of magic carpets open" (input field 0), "Slopes open (km)" (input field 0.0, range from 93.0 km), "Valley snow level" (input field, unit cm), "Mountain snow level" (input field, unit cm), "Snow quality" (dropdown menu set to "not applicable"), "Last snowfall" (calendar icon), and "Valley run" (dropdown menu set to "closed").

Snow report Overview Trail map Ski lifts Slopes Ski pass Innovations Events Winter Package My settings

Please check and update your snow report daily.
Your last entry is older than 3 days!

Ski resort status: closed

Season begin: 2018-10-20

Season end: 2019-05-05

Only open on weekends:

Tip: The following fields will be indicated with a "0" or "closed" if the ski resort is closed: Lifts, Slopes, Valley Run, Snow Park, and Halfpipe.

Number of lifts open: 0 from 10

Number of magic carpets open: 0

Slopes open (km): 0.0 from 93.0 km

Valley snow level: cm

Mountain snow level: cm

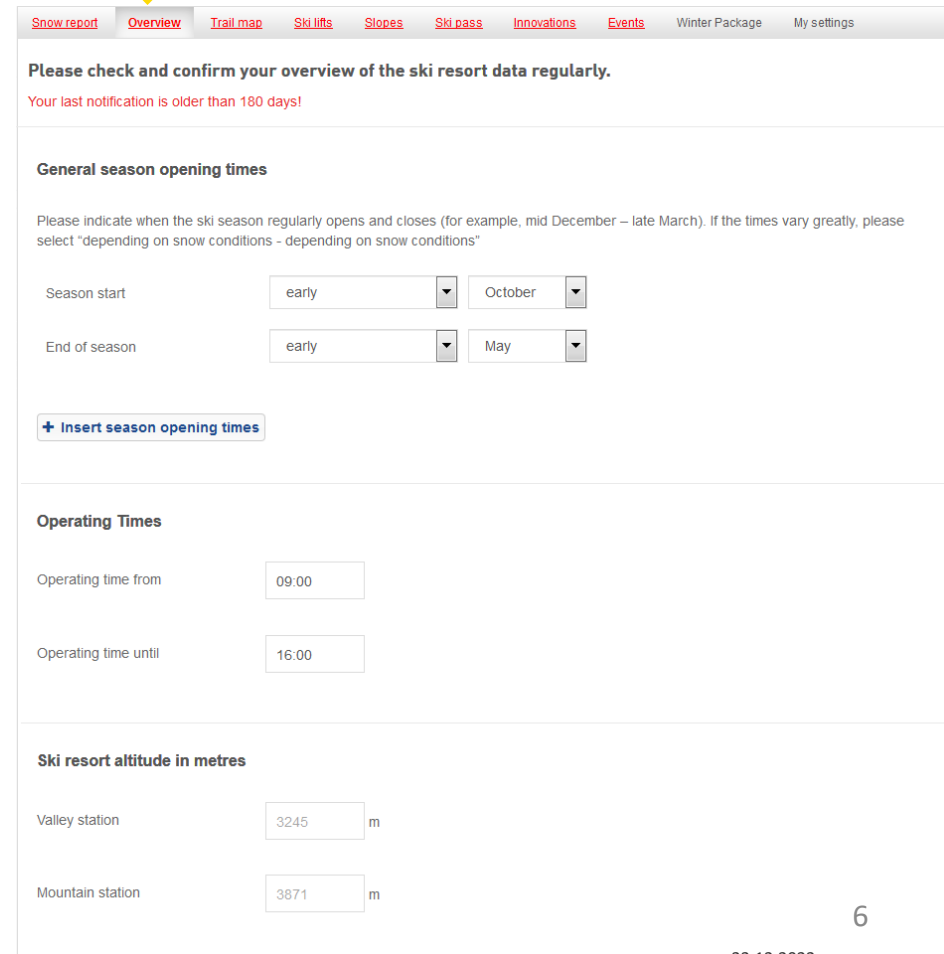

Snow quality: not applicable

Last snowfall:

Valley run: closed

2.2. Overview

Under the “Overview” tab, you can update general information. Please review this information **before the start of the new season.**

A screenshot of the "Overview" tab in the Skiresort management interface. The interface has a dark blue header with navigation tabs: "Snow report", "Overview" (highlighted), "Trail map", "Ski lifts", "Slopes", "Ski pass", "Innovations", "Events", "Winter Package", and "My settings". Below the tabs, a message reads: "Please check and confirm your overview of the ski resort data regularly. Your last notification is older than 180 days!". The main content area is divided into three sections: "General season opening times" with dropdowns for "Season start" (early, October) and "End of season" (early, May), and a button "+ Insert season opening times"; "Operating Times" with input fields for "Operating time from" (09:00) and "Operating time until" (16:00); and "Ski resort altitude in metres" with input fields for "Valley station" (3245 m) and "Mountain station" (3871 m).

[Snow report](#) **Overview** [Trail map](#) [Ski lifts](#) [Slopes](#) [Ski pass](#) [Innovations](#) [Events](#) [Winter Package](#) [My settings](#)

Please check and confirm your overview of the ski resort data regularly.
Your last notification is older than 180 days!

General season opening times

Please indicate when the ski season regularly opens and closes (for example, mid December – late March). If the times vary greatly, please select "depending on snow conditions - depending on snow conditions"

Insert trail map +

Save Save and logout

2.4. Ski lifts

You can enter any changes regarding your ski lifts under the “Ski lifts” tab. Please review **before the start of the new season**.

The information entered in the text field will be included in the database and on the website once it has been checked.

A screenshot of the Skiresort website's user interface for managing ski lifts. A large yellow arrow points to the "Ski lifts" tab in the navigation menu. The page includes a notification about checking lifts regularly, a section for "Lifts & cable cars" with a link to check current lifts, a question about making changes, a list of prompts (missing lifts, changes to current lifts), a text area for "Lift changes", a section for "Other types of ascension mechanisms" with input fields for "Number of people movers from Sunkid" and "Number of people movers from other manufacturers" (containing the value 1), and "Save" and "Save and logout" buttons at the bottom.

[Snow report](#) [Overview](#) [Trail map](#) **Ski lifts** [Slopes](#) [Ski pass](#) [Innovations](#) [Events](#) [Winter Package](#) [My settings](#)

Please check and confirm your lifts & cable cars regularly.
Your last notification is older than 180 days!

Lifts & cable cars

You can check your current lifts & cable cars on skiresort.info here [↗](#)

Would you like to make changes?

- Are we missing a new or planned lift?
- Would you like to make changes to the current lifts?

Please enter changes and additions to lifts as precisely as possible (name, year of construction, lift type, length, valley altitude, mountain altitude, transportation capacity, manufacturer, replaced lift, etc.).

2.6. Ski pass

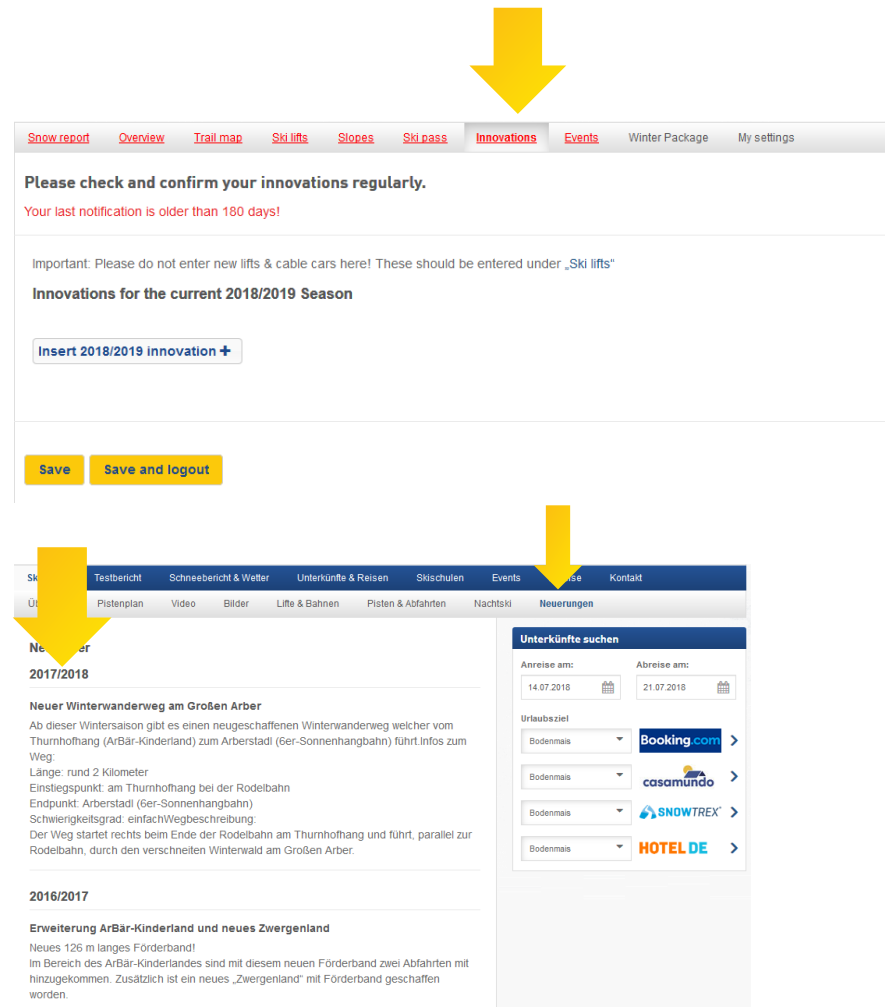

You can update your ski pass prices under the “Ski pass” tab. Please review **before the start of the new season**.

The screenshot shows the "Ski pass" management page. At the top, a navigation bar contains links for "Snow report", "Overview", "Trail map", "Ski lifts", "Slopes", "Ski pass" (highlighted), "Innovations", "Events", "Winter Package", and "My settings". A yellow arrow points to the "Ski pass" link. Below the navigation bar, a message reads "Please check and confirm your ski pass regularly." followed by "Your last notification is older than 180 days!". The main content area is divided into sections: "Name of ski pass: Loveland" with a question "Would you like to change the name?" and a "New name:" input field; "Season" with a dropdown menu set to "2017/2018"; and "Currency" with a dropdown menu set to "US dollar". Below this is the "Price of day ticket in the main season" section with input fields for "Adults" (75.00), "Youth" (0.00), and "Children" (32.00). An "Info" note states "You can update additional details about the ski pass shortly." At the bottom, there are two buttons: "Save" and "Save and logout".

2.7. Innovations

You can note innovations at your resort such as a new funpark, new huts, new slopes, snow-making facilities, etc. Please update **before the start of the new season.**

YOUR ADVANTAGE: Innovations will be displayed on your ski resort pages as an extra page:

The screenshot shows the management interface for 'Innovations'. At the top, a navigation bar includes links for Snow report, Overview, Trail map, Ski lifts, Slopes, Ski pass, **Innovations**, Events, Winter Package, and My settings. A yellow arrow points to the 'Innovations' link. Below the navigation bar, a message states: 'Please check and confirm your innovations regularly. Your last notification is older than 180 days!'. An important note says: 'Important: Please do not enter new lifts & cable cars here! These should be entered under „Ski lifts“'. The section is titled 'Innovations for the current 2018/2019 Season' and features a button 'Insert 2018/2019 innovation +'. At the bottom of this section are 'Save' and 'Save and logout' buttons. A second yellow arrow points to the 'Save' button.

The lower part of the screenshot shows a user's view of the 'Neuerungen' (Updates) page. The navigation bar includes: Testbericht, Schneebericht & Wetter, Unterkünfte & Reisen, Skischulen, Events, **Neuerungen**, and Kontakt. A yellow arrow points to the 'Neuerungen' link. The page content shows a list of updates for the 2017/2018 season:

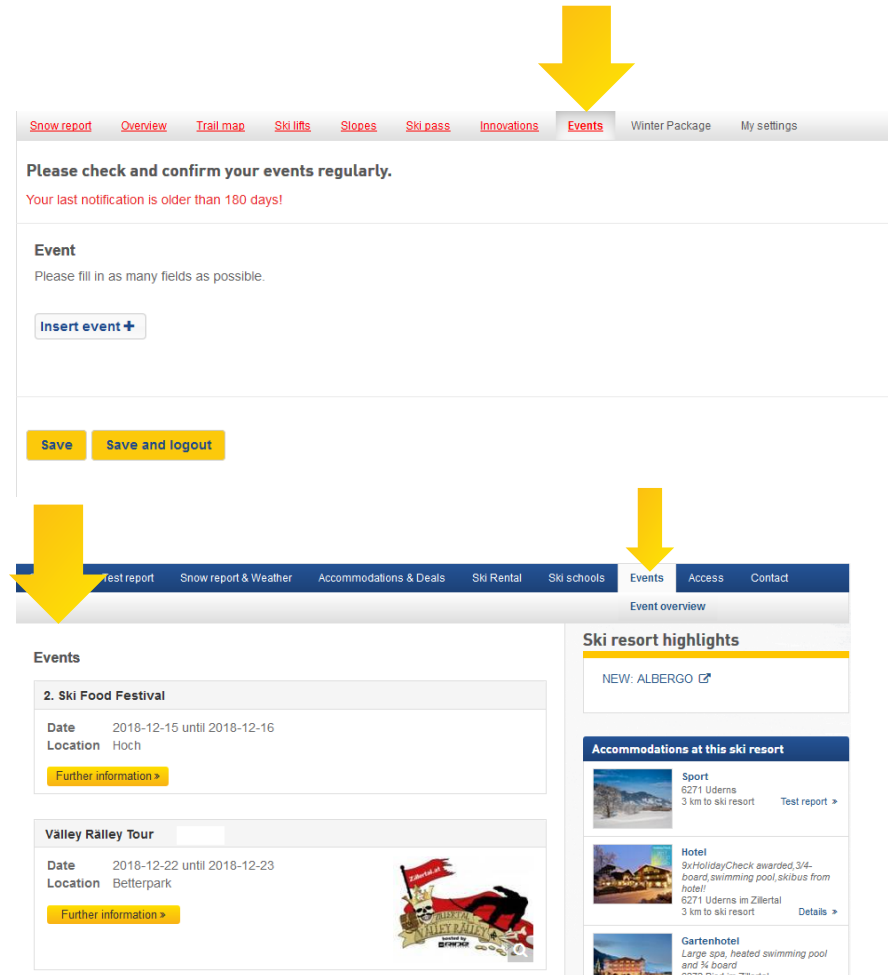

- Neuer Winterwanderweg am Großen Arber**
Ab dieser Wintersaison gibt es einen neugeschaffenen Winterwanderweg welcher vom Thurnhofhang (ArBär-Kinderland) zum Arberstadt (Ger-Sonnenhangbahn) führt. Infos zum Weg:
Länge: rund 2 Kilometer
Einstiegspunkt: am Thurnhofhang bei der Rodelbahn
Endpunkt: Arberstadt (Ger-Sonnenhangbahn)
Schwierigkeitsgrad: einfach
Wegbeschreibung:
Der Weg startet rechts beim Ende der Rodelbahn am Thurnhofhang und führt, parallel zur Rodelbahn, durch den verschneiten Winterwald am Großen Arber.
- 2016/2017**
- Erweiterung ArBär-Kinderland und neues Zwergenland**
Neues 126 m langes Förderband!
Im Bereich des ArBär-Kinderlandes sind mit diesem neuen Förderband zwei Abfahrten mit hinzugekommen. Zusätzlich ist ein neues „Zwergenland“ mit Förderband geschaffen worden.

On the right side of the screenshot, there is a sidebar for 'Unterkünfte suchen' (Search Accommodations) with search criteria for arrival and departure dates (14.07.2018 to 21.07.2018) and a list of accommodation providers: Booking.com, casamundo, SNOWTREX, and HOTEL DE.

2.8. Events

Current events should be entered under the “Events” tab. Please update regularly.

YOUR ADVANTAGE: will be displayed on your ski resort pages:

The screenshot displays the Skiresort website interface. At the top, a navigation bar includes links for Snow report, Overview, Trail map, Ski lifts, Slopes, Ski pass, Innovations, **Events**, Winter Package, and My settings. A yellow arrow points to the 'Events' tab. Below this is a message: "Please check and confirm your events regularly. Your last notification is older than 180 days!".

The main content area is titled "Event" and contains the instruction "Please fill in as many fields as possible." and an "Insert event +" button. At the bottom of this section are "Save" and "Save and logout" buttons.

Below this is a resort page navigation bar with links for Test report, Snow report & Weather, Accommodations & Deals, Ski Rental, Ski schools, **Events**, Access, and Contact. A yellow arrow points to the 'Events' tab. Below this is an "Event overview" section with the following content:

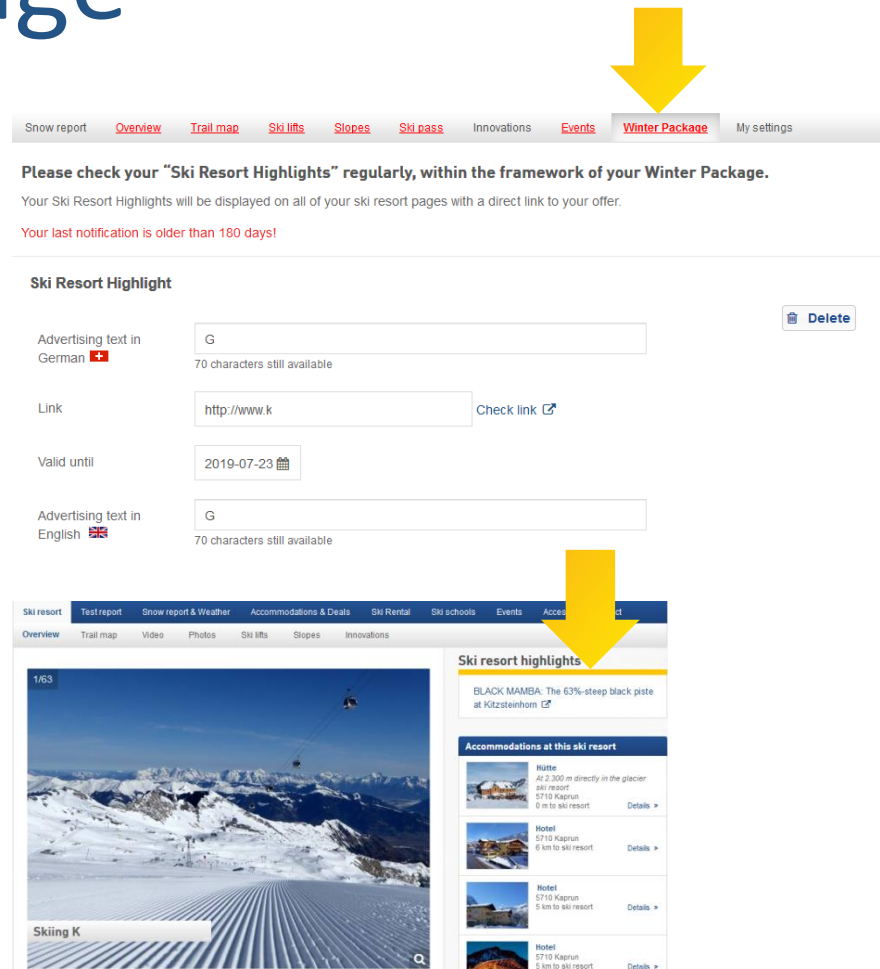

- Events**
 - 2. Ski Food Festival**
 - Date: 2018-12-15 until 2018-12-16
 - Location: Hoch
 - Further information >
 - Välley Rälley Tour**
 - Date: 2018-12-22 until 2018-12-23
 - Location: Betterpark
 - Further information >
- Ski resort highlights**
 - NEW: ALBERGO
 - Accommodations at this ski resort**
 - Sport**: 6271 Uderns, 3 km to ski resort. Test report >
 - Hotel**: 6x HolidayCheck awarded, 3/4-board, swimming pool, ski bus from hotel! 6271 Uderns im Zillertal, 3 km to ski resort. Details >
 - Gartenhotel**: Large spa, heated swimming pool and 3/4 board. 6272 Ried im Zillertal.

2.9. Winter Package

As a Winter Package Client, you can enter the highlights of your ski resort with a direct link to your website under the “Winter Package” tab (for example ski season opening, discounts, special offers, highlights of your ski resort, special features, innovations, snowpark, etc.).

YOUR ADVANTAGE: Highlights will be displayed on your ski resort pages:

Still not a Winter Package Client? Get information [here!](#)

The screenshot shows the Skiresort management interface. At the top, a navigation bar includes 'Snow report', 'Overview', 'Trail map', 'Ski lifts', 'Slopes', 'Ski pass', 'Innovations', 'Events', 'Winter Package', and 'My settings'. A yellow arrow points to the 'Winter Package' tab.

Below the navigation bar, a message reads: "Please check your 'Ski Resort Highlights' regularly, within the framework of your Winter Package. Your Ski Resort Highlights will be displayed on all of your ski resort pages with a direct link to your offer. Your last notification is older than 180 days!".

The main section is titled "Ski Resort Highlight" and contains a form with the following fields:

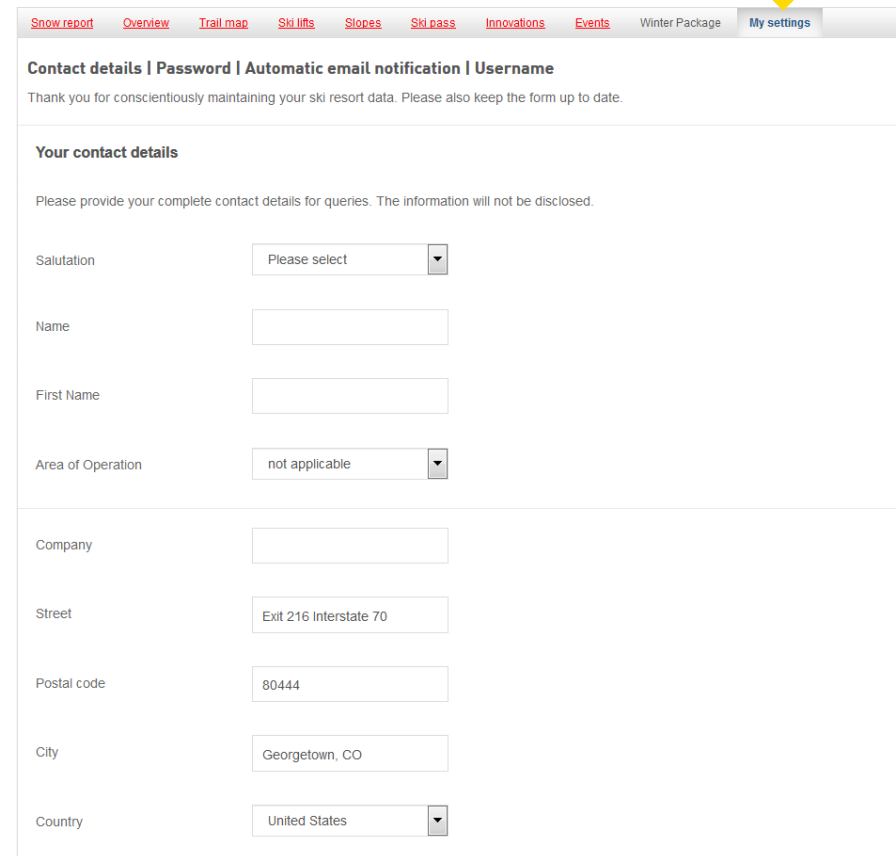

- Advertising text in German:** A text input field containing 'G' and a small German flag icon. Below it, it says "70 characters still available".
- Link:** A text input field containing 'http://www.k' and a "Check link" button with an external link icon.
- Valid until:** A date picker showing '2019-07-23'.
- Advertising text in English:** A text input field containing 'G' and a small English flag icon. Below it, it says "70 characters still available".

A "Delete" button is located in the top right corner of the form area.

Below the form is a preview of the live website. The navigation bar includes 'Ski resort', 'Test report', 'Snow report & Weather', 'Accommodations & Deals', 'Ski Rental', 'Ski schools', 'Events', 'Accommodations', and 'Ski resort highlights'. A yellow arrow points to the 'Ski resort highlights' section in the preview, which displays a list of highlights, including "BLACK MAMBA: The 63%-steep black piste at Kidzsteinhorn". Below this, there is a section for "Accommodations at this ski resort" listing several hotels with their distances to the resort.

2.10. My settings

Maintain your contact details under the “My settings” tab so that we can quickly and directly contact the person responsible for data updates if necessary.

A screenshot of a web application's settings page. At the top, a navigation bar contains several tabs: "Snow report", "Overview", "Trail map", "Ski lifts", "Slopes", "Ski pass", "Innovations", "Events", "Winter Package", and "My settings". The "My settings" tab is highlighted in grey. Below the navigation bar, the page title is "Contact details | Password | Automatic email notification | Username". A message reads: "Thank you for conscientiously maintaining your ski resort data. Please also keep the form up to date." The main section is titled "Your contact details" and includes a note: "Please provide your complete contact details for queries. The information will not be disclosed." The form contains the following fields:

- Salutation: A dropdown menu with "Please select" and a downward arrow.
- Name: A text input field.
- First Name: A text input field.
- Area of Operation: A dropdown menu with "not applicable" and a downward arrow.
- Company: A text input field.
- Street: A text input field containing "Exit 216 Interstate 70".
- Postal code: A text input field containing "80444".
- City: A text input field containing "Georgetown, CO".
- Country: A dropdown menu with "United States" and a downward arrow.

Thank you very much for your support.
